Description

OVERVIEW

Redesigned from the ground up, the 2008 Winnebago Journey is sure to remain a favorite among diesel enthusiasts. The Freightliner XC Chassis boasts a 29,410-lb. GVWR and a 350-hp Cummins diesel engine that can tackle any challenge. The chassis also provides improved storage with large compartments and side-hinged doors. Top it off with a classy interior full of user-friendly features and the Winnebago Journey is a coach you'll be proud to call home.
