## Description

**OVERVIEW**

The Ember Overland Series is intentionally designed and built to meet the needs of today's most discerning RVers and includes floor plans for families and couples who live life on the go. The Overland Series' striking exterior look and chic interior design is appealing , while its robust and cutting-edge list of standard equipment will empower owners to blaze new trails and seek out unforgettable off-road and off-grid camping adventures. With the Ember Overland Series, reservations may or may not be required. From its stunning Stargazer Skylight to its sleek and efficient German-engineered furnace and water heater combination, to its capable standard solar package---the Ember Overland is the RV that consumers have been asking manufacturers to build.
