OVERVIEW

Explore our new rugged towable line, No Boundaries! Our focus is creating exceptionally light weight, versatile travel trailers towable by both 4 cylinder and 6 cylinder tow vehicles. Perfect for any outdoor enthusiast, No Boundaries offers adaptable storage for kayaks, bikes, SUP's, surfboards, skis, and fishing equipment, while still maintaining a dry weight acceptable for a wide range of smaller tow vehicles in the 1500-3500 lb category.

No Boundaries, with industry leading ground-clearance, larger diameter tires, and nimble suspension system, will allow you to explore and set up camp in places that would otherwise be inaccessible. Additionally, the upscale interior focuses on thoughtful, useful design with ample storage and an ergonomic and refreshing living space. Lengths range from 12' up to 25' and are attractively equipped with both familiar standard equipment as well as fresh features for a truly unforgettable adventure.

Taking things to the next level with this sub-4,200lb couples' coach, you will find a true queen-sized murphy bed up front, and a huge jack-knife sofa in the slide out. The breakfast bar provides unparalleled countertop space and the perfect indoor dining area. The optional 12V TV is in the perfect spot no matter if you are watching a movie in bed, or Sunday afternoon sports on the sofa.
